

PRELIMINARY AMENDMENT
Divisional of U.S. Application No. 10/105,369

Q78519

REMARKS

Claims 4-6 and 10-12, directed to a process for making a semiconductor device, are presented for the Examiner's consideration. These claims are the non-elected Group II of parent Application No. 10/105,369.

Claims 4 and 10 have been rewritten in independent form. Claims 1-3 and 7-9 have been canceled.

Entry of the Amendments and the Examiner's favorable consideration of claims 4-6 and 10-12 is earnestly solicited.

Respectfully submitted,
